OsicoNet Investment Guide

Published on: February 16, 2025

- Global Investment Access

Plan	Min Investment	Max Investment	Interest	Duration
Starter Plan	\$100	\$29,999	2% daily	7 days
Regional Representative	\$30,000	\$99,999	5% daily	30 days
Shareholder Plan	\$100,000	Unlimited	10% daily	60 days

How It Works

1. Sign Up > Visit <https://osiconet.net> and create an account.
2. Choose an Investment Plan > Select a plan that fits your goals.
3. Deposit Funds > Use Bitcoin (BTC) or USDT (TRC20) to fund your account.
4. Start Earning > Earn daily profits based on your selected plan.
5. Withdraw Profits > Request withdrawals anytime.

Security & Transparency

At OsicoNet, we prioritize security with SSL encryption, 2FA authentication, and cold storage for crypto assets. Funds are insured, and withdrawals are processed securely.

Payment & Withdrawal Methods

- Bitcoin (BTC)
- USDT (TRC20)

Withdrawals are processed within 24 hours, with no hidden fees.

Investor Testimonials

"I have been using OsicoNet for months, and the profits are consistent. Highly recommended!"

- David O., Investor

"Fast withdrawals and excellent support team. OsicoNet is my top investment choice."
